Dear Ed,

West Coast Wireless has been very fortunate to have Slater Builders as our partner in Southern California. It is particularly important to us, as we are located in Dallas and had to rely on your team to meet deadlines and budgets.

Our confidence in Slater Builders was built on the fact that we knew that we could expect the highest quality in the products and services you provided. Your staff was always very responsive to us and went beyond the "call of duty" to get the job done.

We sincerely appreciate the relationship we've had over the years. It has allowed us to concentrate on our business knowing that Slater Builders would take care of their business.

Wishing everyone at Slater Builders a happy, healthy and prosperous New Year.

Sincerely,

A handwritten signature in blue ink that reads "David Carp".
